Test Plan

Overview:

Test the functionality of the app

http://localhost:8000/

Test Criteria:

-Show list of robots
-Show robots stats
-Buttons perform all necessary functions
-"See All Bots" Button shows all bots
-"Draw" button displays all robots to choose from to play in game
-"Add to Duo" buttons add robots to duel
-"Remove from Duo" button removes bots from duel
-Results from matches are displayed via the robots and the points are tallied above based on who wins or loses
-Refresh button will reset everything

Entry Criteria:
-Test criteria provided
-Running version provided for testing
-Computer for testing

Exit Criteria:
-Issues have been found

Other details:

-Should run on any modern browser and be fully functional and well styled

Test Case:

Description: This test will verify that the buttons on the duel app are functioning properly as intended based on the following actions:

-All buttons perform their specific functions
-The app is running smoothly

Test Postconditions:
-The app can be reset when refreshed
-Bots can be removed from the duel if the user chooses to do so
-All points a kept record-wins and losses

Bug Report:

Description:

1. Wins are being logged as losses
1. Wins are not being shown
2. Wins and losses are not reset
3. See All Bots button doesnt work
